After she cut her hair, I couldn't tell if she is a boy or a girl.

I'm sorry I can't help you.

She's writing something.

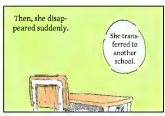
What is that?
Why are you writing it?

I don't know. I'm just writing it for no reason.
And I can just fold it so nobody can read it.
she fold

Is it like... your true heart?

Well.

She quietly folded the paper cranes.



I knew but I didn't say anything.

길지도 Neither a Long
짧지도 Nor Short Walk
Story/Art. Go Ari. 글,그림 고아리

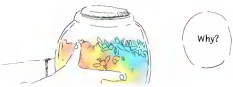
Even those days, they still give this kind of thing.

She strangely looks like her...

What am I thinking about??

Is it yours?
Did you bring it to show off?

Huh? Are you giving it to me?
ah hahaha



Why?

Do you love me?

Well anyway,
Thank you

Here!
Protect from me too
ah, really

Do you like it?

Now, I'm back
to square one.

If I open one, I will remember it somehow.

How great would it be if this was all money.

It's nice to have lots of money and be like you.

I really need money.

Actually, I'm the head of my household.
And it's my family.

My father is dead.

My mother's sick.

And my sister is soon a 3rd year at high school

But I'm the only one who can earn money

After I heard the news about my father, I subsisted the lease of cleanse to the university and came down in a hurry.

A man who said that he's an old friend of my father appeared.
He said that he will support us.

Of course we were happy.

We thought that the world isn't such a difficult place.

And there are good adults in this world too.

But you see, people think that,

When you use their money, you belong to them.

He said that you never know..
And made us tell him our door's passcode.

At some point, he left all his stuff in our house.

So naturally,

Ah, are you home?

Like he is our family.

Like he belongs to our household.
It must have been hard to study until this late.
No.. No..

You should wash now and go to sleep.
etc just

You must be tired.
He acted like he was our father..

Yes... I will go to my room.
You should.

etc close

If I have that scholarship, I don't need money from him anymore.

But...

That money also has its price.

I'm tired of everything.

sfx: grab

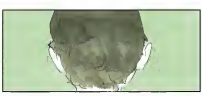
sfx: rustle

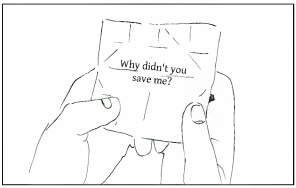
sfx: pour out

Is this a coincidence?

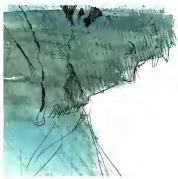
Or did everybody
do this?

What is the truth?





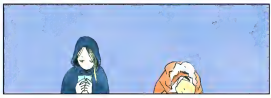
Why didn't you save me?



No way...

Lies...

These are all... Lies...



Can the princess read?

I don't know.
Honestly, I'm
not interested.

To care for somebody
else's heart,

My heart isn't big enough
to worry about her too.

Neither A Long nor Short Walk.
